

Short Description:

Classic Outdoor Softshell Women Vest with Waterproof Fabric

Product Introduction:

This is a classic outdoor softshell jacket for women. 3 layers functional fabric with TPU membrane, waterproof, breathable and windproof. Keep you warm and no sweaty in bad weather or wet working environment. The fabric is stretchy to bring you more comfortable wearing experience.

Inner collar with fleece to make your neck warm and comfortable. There is an inner flap under front zipper, then it is good to wear in cold windy days.

As for the color way, we take black color, red color... Beside these, we have other color ways for your choice. Or we can follow your idea to make a brand new design.
